

10-point Gate Trials Scoring Quick Reference

- No one is allowed to pre-ride a section
- Each section must be completed in two minutes
- Riders are not allowed to modify the intended configuration of a section
- Team managers, minders, parents, and other people who accompany a rider must not interfere with the competition on behalf of a team or a rider
- Timing starts when the front axle crosses the start line and ends when the same axle crosses the finish line
- Gates must be completed in numbered order
- Each gate earns 10 bonus points only when 0 penalties points have been acquired since the last gate
- Both axles must pass through the visual line of a gate to receive the bonus points
- Gates marked with A, B, C must all be passed by both axles with 0 penalty points to receive the bonus points
- When the maximum of 5 penalty points is reached, the rider must leave the section

Brushing an obstacle without supporting the rider's balance	0 penalty points
Rotating a foot while touching the obstacle or ground	0 penalty points
Support on the obstacle or ground that helps the rider's balance using any part of the body or bicycle besides the tires	1 penalty point added to score
Two different body parts concurrently touching the obstacle and/or ground	2 penalty points added to score
Two of the same body parts (e.g. feet) concurrently touching the obstacle and/or ground	5 penalty points
Skipped or missed gate	5 penalty points
Entering the gate of another category	5 penalty points
Placing both feet on the same side of the bicycle while part of the body or bicycle is touching the obstacle or ground	5 penalty points
Removing a hand from the handlebar to provide support on the obstacle or ground	5 penalty points
Using a strategic dab to move the bicycle through a gate while at least one axle is behind the visual line of a gate	5 penalty points
Exceeding the section time limit of two minutes	5 penalty points
Passing an axle over or under the section tape or a gate	5 penalty points
Damaging or dislodging the section tape or a gate	5 penalty points
Crossing the visual line of a gate in the wrong direction without first crossing it in the right direction	5 penalty points
Holding the bicycle by any part other than above the headset	5 penalty points
Moving the front axle back through the start line once the section has been started	5 penalty points
Losing the score card or omitting a section	10 penalty points
Criticizing the commissaire	10 penalty points
Unsporting behavior	10 penalty points
